

*High Risk – Don't Risk It*

# Northern Australia Training & Assessment

RTO Number 40513

## Work Safely at Heights RIIWHS204D

This unit describes skills and knowledge required to work safely at heights in the Resources and Infrastructure Industries.

This course is appropriate for those working in operational roles where they are required to perform work at heights, and require skills and knowledge to minimise the many risks associated with working at heights.

### Contact Us:

PO Box 37069  
Winnellie NT 0821

Phone: 08 8941 2628 (Office)

Mob: 0422 329 866 (Annette)

Mob: 0417 038 008 (Jim)

### Unique Student Identifier

From 1 January 2015, all students participating in Nationally Recognised Training in Australia will need to have a Unique Student Identifier, or USI.

A USI gives you access to your online USI account and will contain all of your nationally recognised training records and results from 1 January 2015 onwards. Your results will be available in your USI account in 2016.

#### How to get a USI

It is free and easy for you to create your own USI online at [usi.gov.au](http://usi.gov.au). NATA can also, with your permission, obtain a USI on your behalf.

#### Course Information

The course is conducted over one day for a theory and practical skills training session and assessment.

The course will be delivered at NATA's course delivery sites, or another suitable location as arranged with your employer. All required learning and assessment materials are supplied.

Course numbers are limited to a maximum of 10 students.

## Course Details

The base cost for the course will be **\$320.00**, **GST exempt** (where eligible).

**Start at 8.00am, finish by 4pm.** If you require breaks from these hours for personal reasons, please talk to your trainer.

Venue details are available from the office, please phone to confirm.

Topics covered in this course include:

- apply height safety procedures
- install appropriate signs and barricades
- inspect/install fall protection
- manage and report potential risks and hazards
- monitor risk control measures

There are no prerequisites for this course.

## Assessment Information

Theory

You will answer 50 questions in 1 hour, the test is open book.

Practical

This assessment takes about 1 hour and requires performing a set of tasks as required under the unit of competency packaging rules.

## Statement of Attainment

On achieving competency, you will be issued with a Statement of Attainment. Note that you will require a USI for NATA to issue your Statement.

## Payment

Payment of **\$320.00** is required before commencement of the course.

### Direct Deposit

Direct deposit payments may be made on-line or at any branch of the Westpac Bank:

- Smith Street Mall, Darwin
- Casuarina Square, Casuarina
- 5978 Temple Tce, Palmerston

Please phone Annette at the office to confirm account details. Remember to use your name as a reference.

### Credit Card

Please phone Annette at the office and she can take a VISA or Mastercard payment.

### Cash

Please phone Jim to make an arrangement.
